

LANCE ANDERSON

ASA, FSA, MAAA

Actuary

lance.anderson@milliman.com

206-504-5804

Current Responsibility

Lance is an associate actuary with the Health practice in Milliman's Seattle office. He joined the firm in 2016.

Professional Work Experience

Lance's actuarial experience includes pricing, reserving, and regulatory filings. His clients include insurance companies, managed care organizations, state government agencies, and stop-loss carriers.

Examples of his experience include:

- Medicare Advantage bid preparation and support
- Evaluation of liabilities and assets for annual statutory filings
- Support for Medicaid managed care organizations (MCOs)
- Reporting and settlements for accountable care organizations (ACOs)
- Milliman Health Cost Guidelines (HCG) research
- Modeling and pricing stop loss products for self-insured employers

Professional Designations

- Associate (ASA), Society of Actuaries (SOA)
- Member, American Academy of Actuaries (MAAA)

Education

BS, Physics, Brigham Young University (2005)
