Current Responsibility

Angela Bolduc is a principal and managing director for the IntelliScript practice. She has been with Milliman since 2007 and leads IntelliScript's Account Management, Partnerships, Recruiting and Talent Management, and Operations teams.

Professional Work Experience

Angela gained her expertise by working with insurance carriers since 2001. Prior to working at Milliman, she was the Manager of Strategic accounts at Ingenix. She has experience with underwriting, strategic partnerships, sales, account management, marketing, human relations, business strategy, and process improvement.

Education

Angela graduated with a Bachelor of Science degree in Psychology from Vassar College and earned her MBA from Northeastern University.
