+1 312 499 5648

## Current Responsibility

Richard is an actuary in the Chicago Casualty practice of Milliman. He joined the firm in 2002.

## Professional Work Experience

Richard's expertise in property and casualty primarily involves loss reserving and forecasting for self-insured clients in medical malpractice and workers' compensation liability. He also has extensive experience in commercial lines, including workers' compensation, professional liability, general liability, auto liability, and property insurance. His clients include captives, Fortune 500 corporations, healthcare institutions, privately held companies, public entities, and risk-retention groups.

## Professional Designations

- Fellow, Casualty Actuarial Society
- Member, American Academy of Actuaries

## Education

BS, Actuarial Science, University of Illinois, Urbana-Champaign
