Current Responsibility

Annie Gunnlaugsson is a consulting actuary with the Milwaukee office of Milliman. She joined the firm in 2012.

Professional Work Experience

Annie graduated in 2012 from the School of Business at the University of Wisconsin – Madison, where she majored in Actuarial Science. During her time there, she gained experience through actuarial internships at a life insurance company and an employee benefits consulting firm.

Since joining Milliman's Healthcare Practice, Annie has worked primarily on projects related to long-term care insurance and the group and individual commercial health markets. She has assisted clients in the areas of ACA pricing and rate filings, year-end statements of actuarial opinions, state insurance department LTC rate filings, and reserve estimation for medical and long-term care products. Most recently, Annie assisted in analyzing various policy options to alternatively finance LTSS for the state of Washington.
