## Current Responsibility

Michael Henk is a consulting actuary with the Property & Casualty Insurance Software group, based in the Atlanta office of Milliman. He joined the firm in 2006.

## Professional Work Experience

Michael's experience includes loss reserving analyses (including reserve variability analyses) for all major lines of business, including workers' compensation, general liability, automobile liability, professional liability, and mortgage guaranty insurance.

Currently, Michael is dedicated to the development, implementation, and support of Milliman's property and casualty loss analysis solutions, including Arius®, Triangles on Demand, and Arius Enterprise. These are the leading solutions of their type for actuarial, risk management, and insurance finance professionals, with installations at more than 400 locations throughout the world. His specialized knowledge is relied upon for the design of all new system functionality.

## Professional Designation

- Fellow, Casualty Actuarial Society (FCAS)
- Member, American Academy of Actuaries (MAAA)

## Education

BS, Business Administration (Actuarial Science), Drake University, Des Moines, IA
