Principal and Senior Consulting Actuary

jill.herbold@milliman.com

+1 317 639 1000

## Current Responsibility

Jill is an actuary with the Indianapolis office of Milliman. She joined the firm in 2009.

## Professional Work Experience

Jill has developed an expertise in the analysis of the financial risks associated with the financing and delivery of healthcare services. She routinely works with self-funded groups, insurance companies, managed care organizations, and provider organizations. Her projects have included:

- Self-funded financial projections
- Benefit plan design
- Quarterly reserve reviews
- Annual reserve opinions
- Retiree medical evaluations
- Provider payment benchmarking
- Provider contract evaluations
- Small employer certifications and compliance
- Stop-loss rating
- Health plan pricing and rate filings

Recently, Jill has been involved with a variety of opportunities supporting provider payment reform, including:

- Shared savings agreement design and financial evaluation
- Patient-centered medical home programs
- Healthcare cost savings opportunities assessments
- Patient health management
- Patient-level actionable information
- Physician, hospital, skilled nursing facility, and home health provider performance evaluation

Prior to joining Milliman, Jill worked with CIGNA for 16 years.

## Professional Designations

- Fellow, Society of Actuaries
- Member, American Academy of Actuaries

## Education

Graduate (Bronze Tablet, highest honors), University of Illinois, Urbana-Champaign
