Current Responsibility

Ji Kwen Ng is a consulting actuary in the Amsterdam office of Milliman. She and her team carry out consulting assignments in the fields of property and casualty, health, and disability in the Benelux.

Professional Work Experience

Ji Kwen joined Milliman in 2007. She has 20+ years experience in the financial industry.

Ji Kwen has performed a wide range of actuarial consulting assignments for a variety of clients. She advises clients in the areas of Solvency II, risk management, product development/pricing, and valuations. She has substantial experience in property and casualty insurance and health insurance. She has extensive knowledge of the Solvency II framework and Solvency-II-related work.
