howard.kahn@milliman.com

+1 646 473 3227

Current Responsibility

Howard is a consulting actuary with the New York office of Milliman. He joined the firm in 2009.

Professional Work Experience

Howard has worked in actuarial consulting since 2005 and has extensive experience with the following:

- Pricing, reserving, and analyzing programs for insurers and employers.
- Health claims data warehousing
- Financial projections
- Strategic design of active employee and retiree health and welfare benefit programs
- Analysis of healthcare claims and related data
- Valuation of retiree medical benefit program liabilities
- Medicare prescription drug coverage

Prior to joining Milliman, Howard worked at a large employee benefits consulting firm and a health claims data warehouse. Howard was responsible for creating, building, and maintaining the warehouse and giving expert actuarial and IT advice to clients.
