Current Responsibility

David Koenig is a principal and consulting actuary with the Milliman Seattle Health Practice. He has been with the firm since 2010.

Professional Work Experience

As a healthcare consultant, David works primarily with the Medicare and Medicaid markets. His clients include insurance companies and provider groups.

David's experience as a healthcare consultant includes:

- Medicare Advantage Part C and Part D bid preparation and support
- CMS-HCC risk adjustment calculation, including Part C (both ESRD and non-ESRD) and Part D models
- Provider risk-contracting support
- Year-end statements of actuarial opinion and reserving

Professional Designations

- Fellow, Society of Actuaries
- Member, American Academy of Actuaries

Education

BS, Mathematics, Western Washington University
