Senior Consulting Actuary

dan.nitz@milliman.com

Main +1 262 784 2250 | Office +1 262 796 3486

Current Responsibility

Dan Nitz is a senior consulting actuary with the Milwaukee office of Milliman. He joined the firm in 2006.

Professional Work Experience

Dan has more than 30 years of experience, primarily working in long-term care (LTC) insurance. He has experience in a wide range of actuarial functions, including product development, experience analysis, and financial reporting. In addition to Dan's work in LTC, he also assists Program for All-inclusive Care for the Elderly (PACE) organizations with their annual Medicare Part D bid development.

Prior to joining Milliman, Dan worked in several management roles for Allianz Life Insurance Company of North America. In those roles, he primarily managed the actuarial functions for the LTC insurance product line, including product development and financial reporting.

Prior to joining Allianz, Dan worked for Fortis Insurance Company in the LTC insurance product line. His primary role was to manage the valuation and experience analysis actuarial functions.
