+352 661 812 859

## Current Responsibility

Emilie Perrin is a consultant in the Luxembourg office of Milliman. She joined the firm in 2022, and has three years of experience.

## Professional Work Experience

Prior to Milliman, Emilie worked for RSM France as an actuarial consultant for over 2 years.

Emilie has been involved in projects across all disciplines, including product development, pricing, and Solvency II. Her expertise is in modelling, statistical analyses, and optimizing and automating data and manual processes.

## Education

- Master, Insurance, Ecole supérieure d'Assurance, France
- Bachelor of Science in Mathematics and Philosophy, McGill University, Montreal
