## Current Responsibility

Pat Renzi is a principal and CEO of the Life Technology Solutions Practice of Milliman. Life Technology Solutions provides products and services related to financial and risk reporting and projections. Pat, who joined the firm in 1999, has worked in Philadelphia, Seattle, and the United Kingdom. Now in the New York office, she served on the firm's board of directors from 2015 to 2019 and has served as the chairperson of the firm's Diversity, Equity and Inclusion Committee since its founding in 2019.

## Professional Work Experience

Prior to joining Milliman, Pat spent nine years working with the PTS™ software system at SS&C/CHALKE Incorporated and Avon Consulting Group. During this time, she was involved in the development, provided and managed support and training, and worked with customers to define the product content and direction. While at Avon, Pat used the PTS system to provide consulting support to life insurance companies, including building corporate models and performing cashflow testing, system customization, and product pricing. Pat began her career working in the actuarial departments of GEICO Life and Annuity Company and CIGNA as an actuarial systems specialist and at Reliance Insurance Company, where she assisted in implementing an ALM modeling process.

## Education

BS. Mathematics, Georgetown University

## Presentations and Publications

Pat is a frequent guest speaker at industry meetings on topics ranging from drivers of disruption and innovation, technology trends shaping the insurance industry, and the business value of a diverse and inclusive workplace.
