## Current Responsibility

Douglas Rodrigues is a consulting actuary with the Milwaukee office of Milliman. He joined the firm in 2014.

## Professional Work Experience

Douglas is a consulting actuary at Milliman with almost a decade of experience in the Medicare Advantage and pharmacy markets. He has assisted various medium-to-large health plans with Medicare Advantage and Part D bid development, desk review and bid audit support, strategic planning, market feasibility studies, risk sharing arrangements, risk score benchmarking and analytics, and analyzed the impact of various regulatory proposals and changes.

Specific to the pharmacy space, Douglas' primary focus includes assisting health plans and employers with PBM audits, market checks, Request for Proposal evaluations, and ongoing support. Douglas is also a key contributor to the internal research supporting the Milliman prescription drug rating components of the Milliman Health Cost Guidelines (Rx HCGs), for both commercial and over-65 populations.
