

TIM RÜHMANN

AKTUAR DAV

Senior Consultant

tim.ruehmann@milliman.com

Current Responsibility

Tim Rühmann joined Milliman in July 2022 and is a senior consultant in the Dusseldorf office.

His consulting activities include, among others:

- Life insurance consulting with respect to portfolio migration
- Analysis of concepts and specifications for portfolio migration
- Life insurance consulting for financial accounting (HGB)
- Advancement of tools

Professional Work Experience

Prior to joining Milliman, Tim worked for nearly five years for a health and life insurer in Hamburg, Germany.

In particular, he worked on the following topics:

- Reviewing annual financial statements (HGB) for both life and health
- Conducting profit breakdowns (HGB) for both life and health
- Making continuous updates/developments of a Dataware House for internal use
- Reviewing internal and external statistics
- Developing tools based on Excel
