

GREG SGROSSO

ASA, FSA, MAAA, PRDANL

Principal and Consulting Actuary

greg.sgrosso@milliman.com

+1 404 254 6734

Current Responsibility

Greg is a consulting actuary with the Atlanta office of Milliman. He joined the firm in 2002.

Professional Work Experience

Greg has had the opportunity to work on many different projects at Milliman. He has experience with vendor selection, claims repricings, claims reserves analysis, Medicare Advantage bids and feasibility studies, rate filings, premium deficiency reserves, and other aspects of risk management.

Greg also has had significant exposure to work with continuing care retirement communities. He has performed population projections, adequacy of resident contract fee structures, future service obligation calculations, actuarial balance sheets, cash-flow projections, and experience studies.
