

SETH SHIVELY

FCAS, MAAA

Actuary

seth.shively@milliman.com

+1 626 773 5002

Current Responsibility

Seth Shively is an actuary with the Pasadena office of Milliman. He joined the firm in 2021.

Professional Work Experience

Seth's areas of experience include:

- Traditional reserving projects for medical professional liability carriers
- Reserving, funding, and self-insured retention analyses for self-insured entities, risk retention groups, and captive insurance companies
- Special consulting work, including aiding in training client personnel on details of the US risk-based capital regime
- Creation of data visualization dashboard deliverables

Prior to joining Milliman, Seth worked for a nationwide commercial lines carrier. His insurance company experience includes commercial general liability excess and surplus lines pricing and insurance product development.
