

JEREMY SIBORG

ASA, MAAA

Senior Actuarial Manager

jeremy.siborg@milliman.com

Main +1 860 687 0100 | Office +1 860 687 0155

Current Responsibility

Jeremy Siborg is a senior actuarial manager with the Hartford office of Milliman. He joined the firm in 2017.

Professional Work Experience

As a member of the Hartford Health Practice, Jeremy assists with a variety of projects for both public and private sector clients, including insurance companies, employers, pharmacy benefit managers, and Medicare plan sponsors. Jeremy provides medical and prescription drug benefit consulting services to both commercial and government entities. He assists Medicare Part D plan sponsors with plan design, formulary design, and pricing of prescription drug plans. Jeremy also has experience with rate filing within the Affordable Care Act (ACA) commercial market.

Professional Designations

- Associate, Society of Actuaries
- Member, American Academy of Actuaries
