Current Responsibility

Brian Sweatman is a principal and consulting actuary with the Atlanta office of Milliman. He joined the firm in 2013.

Professional Work Experience

Brian primarily consults with providers, commercial insurers, and large employers. His client activities include:

- Value-based payment model strategy, design, and pricing (including bundled payments, shared savings/risk arrangements, capitation, and joint ventures)
- Population health analytics
- Utilization and cost benchmarking
- Fee schedule analysis
- Custom network design and pricing
- Healthcare cost analysis
- Preparation of commercial regulatory rate filings for both ACA and non-ACA products, including individual and group
- Pricing and rate development
- Alternative payment model support
- Analysis of actuarial liabilities

Prior to joining Milliman, Brian was an analyst with Coventry Health Care and previously worked with AonHewitt.

Professional Designation

- Fellow, Society of Actuaries
- Member, American Academy of Actuaries

Education

- BBA, Actuarial Science, Georgia State University
- Executive MBA, Quantic School of Business & Technology
