Principal & Consulting Actuary

uri.sobel@milliman.com

+1 973 569 5839

Current Responsibility

Uri is a principal and consulting actuary with the New York office of Milliman. He joined the firm in 1999.

Professional Work Experience

Uri works with life insurance companies on a variety of matters, with a strong focus on life insurance modeling. His work supports appraisals for mergers and acquisitions, financing transactions, cash flow testing, dividend management, and other areas.

Professional Designations

- Fellow, Society of Actuaries
- Member, American Academy of Actuaries

Education

- B.S. Applied Mathematics, Columbia University
- MS. Applied Physics, Columbia University

Presentations and Publications

Uri presents frequently at industry events, and has several published pieces, the most recent of which was contributing to the Milliman-led Society of Actuaries research report on the Impact of VM-20 on Life Insurance Product Development, which was completed and published in July, 2017.
