

## REZA VAHID

FSA, CFA, MAAA

Consulting Actuary

reza.vahid@milliman.com

### Current Responsibility

Reza Vahid is a health actuary in the New York office of Milliman. He joined the firm in 2014.

### Professional Work Experience

Reza has nearly 20 years of employee benefits consulting experience, providing actuarial and employee benefit support services to corporate, governmental, and not-for-profit employee benefit plans. His experience includes performing funding and accounting valuations for other postretirement benefit plans, as well as making funding projections, developing health and welfare program pricing and budgets, and conducting Medicare Part D attestations.

Reza also provides health and welfare services, including plan design analysis, assistance in collective bargaining negotiations, and development of other postretirement benefit valuation assumptions, reserve calculations, and contribution and expense projections.

### Professional Designations

- Fellow, Society of Actuaries
- CFA Charterholder
- Member, American Academy of Actuaries

### Education

- BA, Neuroscience, Columbia University
- Phillips Exeter Academy
