

WILL WIEGEL

Manager of Operational Excellence

will.wiegel@milliman.com

1 952 820 2474

Current Responsibility

Will Wiegel is a principal at MedInsight. He leads a team of client success managers and collaborates with MedInsight's development team on product releases, support escalation, and MedInsight's Digital Transformation. He joined MedInsight in 2012, and is based in Minneapolis.

Professional Work Experience

Will has over 15 years of experience using SQL and related technologies to support clients' analytic needs. He is a Subject Matter Expert for all client-related MedInsight processes. In his current role, Will's responsibilities include:

- Leading a team of client success managers
- Working to transform operational processes to align with Digital Transformation efforts
- Providing User Acceptance Testing of product releases
- Managing support escalation

Prior to joining Milliman, Will was a healthcare analyst who provided reporting and developed solutions for self-insured employer groups.

Education

BS, Mathematics, University Wisconsin - Platteville
