Principal and Senior Pharmacy Management Consultant

stephen.wolff@milliman.com

Main +1 312 726 0677 | Office +1 312 279 3066

Current Responsibility

Stephen Wolff is a principal and senior pharmacy management consultant with the Chicago office of Milliman. He joined the firm in 2018.

Professional Work Experience

Stephen's areas of expertise include pharmacy benefit managers, pricing strategies, specialty pharmacy, and analyzing medical and prescription drug data to provide insights and opportunities. Stephen has worked with healthcare decisionmakers across the U.S. healthcare system, including life sciences organizations, medical providers, pharmacies, and plan sponsors. He has expertise in understanding payer perspectives and pharmacy decision-making processes across Medicaid, Medicare, and Commercial lines of business.

Prior to joining Milliman, Stephen worked as a pharmacy consultant for a national employee benefits consulting firm. He has supported a wide range of plan sponsors, including multi-employer and public sector clients, with all of their pharmacy benefit needs.

Stephen is a licensed pharmacist and an associate of the Society of Actuaries.
