

ALEX ZUCKERMAN

FSA, MAAA

Actuary

alex.zuckerman@milliman.com

8582039554

Current Responsibility

Alex Zuckerman is an actuary with the Health Practice in Milliman's San Diego office. He joined the firm in 2020.

Professional Work Experience

Alex has 10 years of experience working with payers, providers, and employers as a health actuary. Alex's recent work includes:

- Commercial pricing and rate filing
- PBM market check, RFP, and financial analysis
- Self-insured pricing
- Incurred But Not Paid (IBNP) estimations
- Financial impact of new legislation analysis
- HigherEDGE© creation and implementation
- Analysis, interpretation, and extrapolation of data

Prior to working at Milliman, Alex worked at a large employer as a lead benefit analyst for their population. Prior to that, Alex worked as a senior actuarial analyst at a consulting firm primarily servicing large-size employers' self-funded health plans.

Professional Designations

- Fellow, Society of Actuaries
- Member, American Academy of Actuaries

Education

BS, Actuarial Sciences | University of California, Santa Barbara
