Press Release

**Milliman MedInsight ranked “Best in KLAS for Payer Quality Analytics”
for the 5th year in a row**

Seattle, WA — Feb. 2, 2023 — Milliman MedInsight’s leading platform for data warehousing and healthcare analytics was recognized as the Best in Payer Quality Analytics in the [2023 Best in KLAS: Software and Services](#) report.

KLAS, a research firm focused on the healthcare IT market since 1996, publishes the Best in KLAS report annually, recognizing outstanding efforts to help healthcare organizations in their quest to deliver quality patient care. This is the fifth year in a row that Milliman MedInsight has been top-ranked and top-performing for Quality Payer Analytics.

“The 2023 Best in KLAS report highlights the top-performing healthcare IT solutions as determined by extensive evaluations and conversations with thousands of healthcare providers. These distinguished winners have demonstrated exceptional dedication to improving and innovating the industry, and their efforts are recognized through their inclusion in this report,” said KLAS President, Adam Gale. “Congratulations to all the winning vendors for setting the bar for excellence in healthcare IT! KLAS continues to be committed to creating transparency and helping providers make informed decisions through our accurate, honest, and impartial reporting.”

“We strive to help our clients succeed in data-driven decision-making on important healthcare questions,” said Meghan Fetherston, Chief Client Officer for Milliman MedInsight. “We are honored to have won the Best in KLAS award for Payer Quality Analytics for the fifth year in a row and we are committed to continuous improvement as we help healthcare organizations transform data into meaningful insights.”
